**RESPONSE TO NOTICE TO FILE CORRECTED**

**APPLICATION PAPERS**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

In response to the Notice To File Corrected Application Papers Dated May 8, 2001 requesting that Applicant file substitute drawings because the drawing figures contain text that is not in English, Applicant respectfully submits that the only figure which contains text not in English is FIGURE 7 which Applicant respectfully submits does not have to be in English for the reasons given below.

In particular and as stated in the BRIEF DESCRIPTION OF THE DRAWINGS, FIGURE 7 is merely a pictorial view of an input screen and is not a flow diagram of the operation of the present invention. It is only in Japanese because the application was originally filed in Japan; and since it is only an exemplar view of a screen, Applicant respectfully submits that it does not fall within 37 CFR 1.84(p)(2) or 1.52(d)(1) and need not be translated.

Notwithstanding the above, if the USPTO still requires a translated figure after considering the above, Applicant will do so.

This response is a good faith response by Applicant and Applicant respectfully requests that it should be treated as such.

Respectfully Submitted,

A handwritten signature of William L. Androlia.
